The Markets

Monday was the most active day in the hop market at Portland of the season. Buyers were loaded with orders and took all offerings at from 20 to 21 cents, sales being made at all the fractions between the two.

The market is stronger in England and a trifle weaker on the contituet. The crop is well along as to gathering and the week end will see the yards about cleaned up. The fine weather gives assurance that there will be no oss from weather conditions. The crop, while of extra quality, is not up to estimates in yield, yards generally falling below expectations. Wheat is steady and firm in prices, with a slight upward tendency. The peach market is glutted and prices are corresponding-law formula for the peach market is glutted and prices are corresponding-law formula for the peach market is glutted and prices are corresponding-law formula for the peach market is glutted and prices are corresponding-law formula for the peach market for the pea crop, while of extra quality, is not up ly low. Country produce receipts were light, the poultry and egg supply being unusually small. London mail advices stay that up to 38s 6d has been paid for 18c. Cascara bark.

Why Drink Water When You Can Get Salem Beer?

The Most Popular Beverage on the Pacific Coast

Salem Bottled Beer is brewed in one of the most modern plants on the Pacific Coast. It is aged in steel glass-lined tanks. It is conveyed by modern pipe line system direct to the bottle house, bottled under pressure and never comes in contact with the air from the time it leaves the fermenting tank until the bottle is opened by the consumer. Therefore the consumer is absolutely assured a beer of ideal effervescence, snap and purity. A trial will surely convince you. Get it from your local dealer or send order to the
